RULES

- All tournaments will be five rounds Swiss and all entrants will be expected to play each round. Players may claim a half-point bye for any one round at the time of entry.
- The ECF Jan 2022 ratings will be used to determine eligibility for rating-restricted sections. The Feb 2022 ratings will be used for pairings and rating prize purposes. Players entering before 1st Jan 2022 will be moved up a section(s) if their Jan 2022 rating is above the upper limit for the section they originally entered.
- Results will be submitted for ECF rating purposes.
- Unrated players must give an indication of their playing strength where possible at the time of entry (e.g. recent congress results). Organisers reserve the right to transfer any entrant from one tournament to another.
- Unrated players will not be eligible for rating prizes unless they provide acceptable evidence of their playing strength.
- *Phones are allowed in the venue but must be switched off during play.* Penalties for phones sounding, up to loss of the game, will be determined by controllers, according to circumstances. No smoking is allowed inside the school building or in the grounds.
- In all matters the organisers' decision is final. The organisers exercise their right to reduce the prize fund in the event of insufficient entries. There will be a LIMIT of 180 entries.

The time each player will have to complete the game will be 1 hour and 40 minutes with a 10-second increment added after each move from move 1.
