

## **Northern Counties Chess Union (NCCU)**

As the **NCCU Trophy Officer** here is my report for the AGM.

I currently hold the following Trophies.

### **NCCU - County Championship**

U2050 Shield – Water Damaged

U1850 - Walls Trophy

U100 Shield – Water Damaged

#### *County trophies still missing:*

Open

U1650 - Pennine Shield - *[in Bryan Bainbridge's possession – Steve Mann]*

U1450 - O'Hara Trophy

- The trophies I have were last engraved in 2017.
- As I previously informed the NCCU the damaged shields will need replacing.
- The water damaged shields are stored in wooden boxes specially made for them.
- I have now had the U1850 Walls Trophy engraved with all the winners from 2017.

### **NCCU - Club Championship**

Major, Intermediate and Minor

These trophies are stored in wooden boxes specially made for them.

### **NCCU - Individual Championship**

Dr V. L. Walhtuch Bowl – Open

John Littlewood Trophy – Seniors

#### *Individual Trophy still missing:*

Edward Spencer U18 Trophy - *[said to be in Tim wall's possession – Steve Mann]*

- The individual trophies were returned in a poor condition, and we cannot put the blame on the person who returned them as we do not know the condition they were in when they received them.
- The Walhtuch trophy required a good polishing and has come up well. Unfortunately, the John Littlewood trophy needs repairing as it is in three parts, the connecting screw is missing and needs replacing.
- These trophies require engraving as they were last engraved in 2022 and I need the relevant winner's names to have them engraved.

John F. Walton
